## ENVIRONMENTAL CONTRACTING INC.

### OCTOBER 2015 NEWSLETTER

#### A PROVEN LEADER

Since 1990, Agave has proven itself as experts in landscape installation, landscape maintenance, and native plant salvage. Agave Environmental Contracting, Inc. has a long-standing reputation for quality workmanship and commitment to service as a leader in the landscape industry in Arizona.

#### EMPLOYEE SPOTLIGHT

Helen Weston:

Helen has been with AGAVE since 2006, fulfilling many roles including receptionist, payroll and office manager. She had a 31 year career with Qwest prior to AGAVE. She has studied computer science, human resources and business management through the years while maintaining full time employment. Helen has two grown sons, one in Colorado and one here in Arizona. She enjoys camping, cross stitch and baking.

#### OVER SEEDING

As a reminder, October is scalping and over-seeding season. If you have any questions about your community or site, please contact your Account Manager.

#### AGAVE STARTS A COMMUNITY GARDEN

Agave Farms has started a Community Garden in the Phoenix Uptown area on 4300 N. Central Avenue. Our Urban garden currently has a nursery which includes over 1,700 small trees, over 500 box trees and 10,000 pumpkin plants. Plans are in place to plant roses, flowers, shrubs and vegetables. Look for an invitation to our Festival/Ground Breaking.

## HARDSCAPES, STRUCTURES AND MORE

Did you know that Agave Environmental is a full service landscape management company? Agave started in 1990 as a salvage and transplant company which turned in to a landscape installation company. Those installation projects when completed needed to be maintained, which led to our maintenance division, our arbor division and the spray division soon followed. This is where Agave stands today.

Pictured to the left, our construction crew is in the finishing stages of an install in the Vistancia area.

No job is too small or too large for our qualified construction designers, estimators and install team.

## SAFETY TIP OF THE MONTH

The holiday season is just around the corner. Don't forget when you are lifting those heavy boxes to remember these few tips.

- Stretch and or warm up
- Clear the pathway of any trip hazards
- Find a friend and ask for help
- Lift with your legs and not with your back

(Information taken from the Arizona Landscape Contractors Association)
